

Evelyn Rubenstein JCC

## Merfish Pool Cold Weather Policy:

We will use 45 degrees as the baseline on whether the Merfish pool will be closed. Our staff will use the weather.com app using the zip code of 77096 to check the air temperature

On days when it is a nice out and the air temperature could be just less than 45 degrees please contact the fitness desk at 713-551-7211 to see if the pool is open

Once the temperature gets to 45 degrees regardless of the weather our staff will head over to open the pool if it is during regular pool hours.

Thank you JCC Aquatics Staff
