Spring Break Camp AT THE J

March 16, 2020–March 20, 2020

Taste of J Camps (Grades Kinder-5)

Experience a taste of summer at the J! We will be out and about around the J in our gymnastics gym, tennis center, athletic gym, theatre, fitness center and more. Campers will be able to sample all of these activities, as well as some electives that they choose.

On both Tuesday, March 17, and Thursday, March 19, our 3rd – 5th grade campers will head out on a field trip for the morning and meet back up with the rest of camp for lunch and afternoon fun.

Tennis Camp (Grades K-8)

Come learn the game of tennis while being taught by professional certified pros. Beginners are welcome to come learn the basic strokes and get lots of practice. More experienced? Refine your game with more advanced skills, drills, and matches.

Field Trip Morning Only Available (Grades 6-8)

Hang out with your friends while visiting some fun spots in Houston. Teens will head out on a field trip for the morning in this half day camp. Check the website (erjchouston.org) as we get closer for the trip schedule.
