Dance at the J 2020

HOUSTON CHOREOGRAPHERS X6 APPLICATION

The Evelyn Rubenstein Jewish Community Center created Houston Choreographers X6 for Dance at the J to further opportunities for Houston based choreographers and dancers. For this dance presentation program, choreographers and their work will be selected by application. Six choreographers will be selected to present their creations at a Saturday evening performance Saturday, February 15, 2020. Applications are due now. Artist selection will be announced by August 2019. Those choreographers whose works are selected will receive an honorarium once the performance is completed. Those choreographers chosen will be responsible for their own expenses (i.e. props, dancers, etc.) Please take into consideration when proposing the content of your piece, that this is a family oriented presentation. Music and movement must be secular.

The following is a list of requirements:

1. The piece to be presented must be a premiere work, never seen by Houston audiences, 8-10 minutes in length, and use no less than 4 dancers and no more than 12 dancers. The piece must be secular in content and music.
2. Please submit a direct link to your work. The work must be from a recently performed choreographed piece.
3. Complete and return an entry form. Notification of acceptance will be sent by August 12, 2019.

Please mail entries to:
