#2 – Communication

J Camps is committed to providing families with superior communication both pre-camp and all summer long. However, there may be times when you have questions and need to contact us.

What is the best way to contact camp?

- Camp directors are actively engaged with camp activities during the summer and often not at our desks. This can sometimes make it difficult to reach us by phone. Please email your questions, and we will get back to you as soon as possible. For a list of camp leadership, please [click here](#).

What communication should I expect?

- On the Tuesday before your child's camp starts, you will receive an email from the camp director with any specific instructions or special items to pack for your camp. The camp director will also provide a list of campers in your child's group (for Camp BAMI, Kinder and Kaleidoscope only).
- Throughout the summer, we will post pictures in a shared album for you to enjoy via Waldo. Further instructions on how to access these photos will be coming soon.
