Patrons of the Arts are dedicated individuals and families who make Jewish art and expression a priority in their philanthropic giving. Becoming a Patron helps the J continue to present a diverse and stimulating array of literature, film, performing arts and Jewish learning.

Patron of the Arts support allows the J to contribute to the vibrancy of Houston as one of the greatest arts cities in the United States. There is no other organization in Houston that is at the center of it all, dedicated to keeping Jewish culture and arts alive like the J.
